
WHILE YOU'RE FOCUSED ON THE STUDENTS, WE'RE FOCUSED ON YOU.

IC BUS. THE DIFFERENCE.

The CE Series school bus from IC Bus was built with you in mind. Easier to operate and service, and more reliable and economical, this school bus was designed by listening to those who know what's needed to get the job done right: drivers, mechanics, fleet supervisors and administrators. We've found that safe student transportation is a team effort. It's just one of the differences between IC Bus and the others. And that difference has led to the CE Series school bus.

For more information about our CE Series school bus or to locate the nearest IC Bus™ dealer, call 1.800.892.7761 or go to ICBus.com
